

From Time To Time

Shanadoo

From time to time - I am Thinkin' of you
Baby you were mine - and our love was so true
Together - ever
We thought our dream it would never die

Futto mega sametara koshiku naru nukumori
Itsumono syuhkan muishikini sagasu omamori
Sonnani mada naretekonai
Shizukana yoruni daremo inai
Omoide natsukashimu
Kurikaeshinagara time to time

From time to time - I am Thinkin' of you
Baby you were mine - and our love was so true
Together - ever
We thought our dream it would never die

From time to time - I am shedding a tear
It's a children's rhyme - you are gone - I stay here
I miss you - miss you
Baby I just long for your kiss tonight
From time to time

Osatoh hitotsudake morningcup ni sarasara
Karappono glas asahiwo ukete kirakira
Kotoridaketo ensemble
Ookisugiru table
Garanto tada tatazumu
Kiokugausureru time to time

From time to time - I am Thinkin' of you
Baby you were mine - and our love was so true
Together - ever
We thought our dream it would never die

From time to time - I am shedding a tear
It's a children's rhyme - you are gone - I stay here
I miss you - miss you
Baby I just long for your kiss tonight
