

# Blank Space Parody

Shane Dawson

My girlfriend got into my car  
Told me to listen to her new CD  
"What the fuck are you smokin'?"  
Do I look fourteen?"

"No, trust me it's so great  
I'm totally hashtag team taytay  
Com'on just give it a play!"

Later on I dropped her off  
She forgot her new Taylor CD  
So I decided to put it on  
"What's the worst that could happen?  
Oh my God, what a sick beat,  
Her voice sounds so soft and sweet  
All these lyrics are relating to me!  
I could listen to this until my life ends!"

So I'm listen while I'm lifting  
She gives me energy  
And I listen in the shower  
When I'm making love to me  
I listen when I'm hurtin'  
Her ballads are everything  
It's like I'm never lonely  
Like she's my best friend

She's always tweetin'  
Inspirational quotes  
And then I read them  
At the time I need them most  
I think about her when I'm  
Having sex with my girlfriend  
"Because she is my soul mate"  
"What?"

I gotta make a plan.

First I have to get rid of  
My current girlfriend  
I have to make it look like  
It was an accident like:  
"Hey Lisa, get in here quick  
Your dog is barfing,  
I think it's sick  
Oh no, there is so much blood!"

Now I don't have a girlfriend  
"Hey Taylor here I come  
I got your address  
Thanks to Google maps.com  
I've got your favorite flowers  
A tattoo of your name  
I hope you feel the same baby

Cause I'm on my way

Oh, you look so cute up in your bedroom  
Oh, I can't wait to be up there with you soon  
"Hey sir, who are you? Can I help you?"  
"Sure, smell these flowers, don't you think they smell good?!"

Now I'm walking through the front door  
I think I smell her scent  
Now checking the nick nacks  
We both like titanic  
And then I hear a loud scream  
I turn around and see  
It's my beautiful Taylor  
"Taylor it's me!"

Then she runs away screaming  
"L.O.L. she's so funny"  
She locked herself in the bathroom  
"I guess we're playing hide and seek"  
"Oh silly Taylor baby  
I can hear you breath  
Hey remember your hit song?  
You belong with me!"

Then she runs to the bedroom  
"She's playing hard to get  
I get distracted by the closet  
She looks so pretty in red  
"Hey taytay can you wear this,  
The first time we make love?  
Just give me a kiss baby

You'll feel the same"

I guess I was all wrong  
Maybe we're not soul mates  
I misread the situation  
I have another destiny  
I'm not supposed be with her  
I'm supposed to be her  
But I can't be her

So I'll just wear her face!
