

Effortlessly You

Shane Filan

When you walk your feet don't touch the ground
When you speak you make the perfect sound
So many ways you're full of grace
Everyday you're my inspiration

When you smile I'm sheltered from the storm
When it rains I don't feel it fall
So many ways I wanna say
Everyday without hesitation
Girl you're amazing

You don't have to hurt inside
Coz I will hurt for
You don't have to feel alone
Coz I'll be there for you
Don't worry
I will always see the beauty
In everything you do
So just be, just be effortlessly you

Like a wave crashing on the shore
Like a sunset never seen before
So many ways you're full of grace
Everyday you're my inspiration
Girl you're amazing

You don't have to hurt inside
Coz I will hurt for
You don't have to feel alone
Coz I'll be there for you
Don't worry
I will always see the beauty
In everything you do
Just be, just be effortlessly you

Just be, just be effortlessly you

You don't have to hurt inside
Coz I will hurt for you
You don't have to feel alone
Coz I'll be there for you
Don't worry
I will always see the beauty
In everything you do
So just, be just be effortlessly you, yeah

Just be, just be effortlessly you
Just be, just be effortlessly you
