Sweet heart...
I'd want to tell you
How much I love you
How much I care
Loving you... soo beautiful..oh

Loving you is easy cause you beautiful
Loving you is all I wanna do
Loving you is more than just the dream come true
And everything that I do is all of loving you

La la la la la (4x)
Du du du du ... aaaaaa

No one else can make me feels the colors that you've been
Stay with me while we grown on and we will live each day and sp
in time

Loving you is make my life so beautiful
Everyday in my life is beauty loving you
Loving you I see your soul come shining through
And every time will be and so in love in you

Loving you is easy cause you beautiful
Everyday in my life is beauty loving you
Loving you I see your soul come shining through
And every time will be and so in love in you

I love you baby
