

That's Why I Love You

Shanice

You give me
Stability, security
(All the love I need and more)
And more
And you're mine all mine
(And without a doubt I'm all yours)
I'm yours
We belong together
No one could love me better
I'm sure (I'm sure)
And I don't want to ever
Be without your love

You bring me so much joy
That's why I love you (I love you)
So much more, then I've ever felt before
That's why I love you

You treat me like a queen
On everything
(I wouldn't change your love for nothing at all)
Nothing at all, nothing at all
Even when we disagree
Never take it too far
(No we don't) no we don't, no we don't
We belong together
No one could love me better
I'm sure (I'm sure)
And I don't want to ever be
Without your love (you bring me)

You bring me so much joy
That's why I love you (I love you)
So much more, then I've ever felt before
That's why I love you

We laugh, we cry, we smile, we frown
(Then we)
Forget what we're upset about
(We give, we take, we live each day)
Like it's our last

You bring me so much joy
That's why I love you (I love you)
So much more, then I've ever felt before
That's why I love you

You bring me so much joy
That's why I love you (I love you)
So much more, then I've ever felt before
That's why I love you
