

All I Want Is More

Shannon Noll

And it feels like rain, like yesterday
And the clouds roll in, the sunlight fades away again
And I'm so damn sure, I'm gonna close that door
You'll be the first to know
When I've found what I'm looking for

I want to run with the sun on my face
Ride a train to nowhere, any place
Feel the thrill of the chase
Stand where I've stood before
All I want is more

So here I go, just me and the radio
Down open roads, don't know where I'm going
Anywhere, I don't care

I owe it to myself, not to follow someone else
Not to turn around
And ever think of going back now
