

## Return to the Void

### Shape of Despair

Let the grey enter  
Wear its mark  
Carry this uncertainty  
The Shroud of all

Feel the distance  
Unburdened of hope  
We contain the ending  
Let me return  
Return to the void

Let me return  
Let me return

Let the grey enter  
Wear its mark  
Carry this uncertainty  
The Shroud of all

Feel the distance  
Unburdened of hope  
We contain the ending  
Let me return  
Return to the void

Let me return  
Let me return

Let me return  
Let me return
