[Shaq]

lyrical proufoundest like Mobb Deep

I'm beyond understanding, mystical
of the world is super ???, physical
very lyrical (very lyrical)
my style is tongue slashing
as well as brain smashing
like in your (shhh) kid, without asking
critics be jealous, they absent minded of course
first MC ever to have mics and shoes in the Source
but of course, I ride that white horse
I'm unbeliavble like Biggie
I represent Newark, New Jersey

puttin' this down for my fam in the future
into my center, pull out size duece duece boots
than I'll boot ya
age twenty four, y'all gon' see me in history books
omega sci-fi represent, throw up them hooks

[Chorus]

[Havoc]

so cock the pist', forty first side be lifted

cream is a must
so in myself I trust
trust nobody else
and make moves with delf
