

This Club Is A Haunted House

Sharon Needles

RuPaul Intro:

Once upon a time there was a little dead girl
Dug up from the corn fields of Newton, Iowa.
She was discovered by a much more
Gorgeous, blacker, beautiful, famous drag queen,
And her career took off!
Oh Lord, I've created a monster...
You betta burn witch!

Verse 1:

Get possessed by the DJ
You'll scream like Linda Blair
Pick up a trick or treat and
Come to the party nightmare

Pre-Chorus:

You grab a drink drink
I'll grab a knife knife
This is the end of the rest of your life life
You grab a drink drink
I'll grab a knife knife
This is the end of the rest of your life life

Chorus:

This club woah!
It's a ha-ha-haunted house
Ha-ha-haunted house

Or are you just happy to see me?
