

# All Fall Down

Shawn Colvin

Here I come  
Cuz I don't know better  
I'm a thief and a sinner  
I'm a fool and a debtor

You got your pushin' numbers  
You got your pushin' a broom  
And what's lucky to some  
Is breakin' even to you

We all fall down  
We all fall down  
We all fall down...

Well I don't understand why  
And I might never know  
But I believe in love  
I like to swallow it whole

How come the best of 'em wind up  
Sweepin' dirt off the street  
And the worst of 'em end up  
Right back up on their feet

Got a heart full of blood  
I got muscle and feeling  
But I'm flat on my back  
I'm starin' up at the ceiling

If I've seen it once  
I've seen it time and again  
You don't know where you're goin'  
Don't know where you are  
You don't know where you been
