Satin Sheets

Shawn Colvin

I wish I was a millionare I'd play rock music and grow long hair Tell you boys I'd buy a new Rolls-Royce

Pretty people come to me I'd give 'em all the third degree I'd give 'em satin sheets And keep 'em off the streets.... Hallaleulah - What's it to ya'? Praise the Lord and pass the mescaline Praise Jehovah And He'll come over As soon as you see me Boogie-woogie across the silver screen....

I hang 'em high I hang 'em low I put 'em on the ceilings wherever I go And they swing all the night From the rafter light

Hallaleulah - I'm gonna sock it to ya You got your coffee, me, I've got my spanish tea Praise Jehovah - Maybe He'll come over As soon as you see me playin' my calliope

I wish I was a millionare I'd play rock music and grow long hair Tell you boys - I'd buy a new Rolls-Royce Tell you boys - I'd buy a new Rolls-Royce
