

# End Of The Day

Shawn McDonald

Some might say that I'm a dreamer  
'Cause I believe love can change the world  
I sit in the middle of what seems hopeless  
I wanna live to be the hope  
I wanna live, I wanna live

To be the man I'm meant to be  
You've got the best of me  
All I've got is today and tonight  
I don't know what tomorrow may bring  
Jumpin' in with all my heart  
I won't wait another day to start  
Trying to see a smiling face  
At the end of the day  
At the end of the day

I want my heart to beat with passion  
I want my motive to be pure  
I want the legacy that I leave  
To affect the life You gave me  
In everything I do, I wanna choose

To be the man I'm meant to be  
You've got the best of me  
All I've got is today and tonight  
I don't know what tomorrow may bring  
Jumpin' in with all my heart  
I won't wait another day to start  
Trying to see a smiling face  
At the end of the day  
At the end of the day  
At the end of the day  
At the end of the day

Never stop fighting, never stop dreaming  
Never stop giving, never stop speaking  
Heart set on what matters  
Love keeps us together  
Never stop fighting, never stop dreaming  
Never stop giving, never stop speaking  
Heart set on what matters  
Love keeps us together

To be the man I'm meant to be  
You've got the best of me  
All I got is today and tonight, so I'm  
Jumpin' in with all my heart  
I won't wait another day to start  
Trying to see a smiling face

Never stop fighting, never stop dreaming  
Never stop giving, never stop speaking  
Heart set on what matters  
Love keeps us together  
Never stop fighting, never stop dreaming  
Never stop giving, never stop speaking  
Heart set on what matters

Love keeps us together
