

Love Will Find A Way

Shawn Mullins

Was it right
Was it wrong
Were you fighting for so long
Did you try
Did you stray
Did you turn the other way
Was it too much to ask
Where you tethered to your past
Did you stay hoping love would find away

What you got, you can't hide,
but it's tangled up inside
Where you walk,
Where you stand,
Got the world in the palm of your hands

Where you been,
Where you go,
All you ever need to know
Is that love,
Sweet love gonna find away

Take a good, look around
You got both feet on the ground

Kiss the pain,
Taste the truth
While you hang on to your youth,
You can fly far away
And dream of yesterday
And pray,
Pray that love gonna find away

Watch you got, you can't hide,
but it's tangled up inside,
Where you walk
Where you stand,
Got the world in the palm of your hand,

Where you been
Where you go,
All you ever need to know,
Is that love, sweet love gonna find away

Baby loves gonna find away
Yeah loves gonna find away
