

# Never Gonna Let Her Go

Shawn Mullins

She's wild she's crazy  
She can't cook yeah she kinda lazy  
She'll burn the gravy  
She'll sweep it under the rug

We're out late sleeping in  
Feels great living in sin  
Cause every morning  
She give me just a little tug

I'm never gonna let her go  
I'm never gonna let her go  
She gonna put me in an early grave  
I know but I'm never gonna let her go

She wrecked my car  
Spent all my money  
Left me at the party with some playboy bunny  
It ain't funny I'm dead broke and thumbing a ride

Somebody must have slipped a micky in my coffee  
Laid on a hickey and I can't get it off me  
Holy Jesus I hope she gonna let it slide

I'm never gonna let her go  
I'm never gonna let her go  
She gonna put me in an early grave  
I know but I'm never gonna let her go

I'm never gonna let her go  
I'm never gonna let her go  
She gonna put me in an early grave  
I know but I'm never gonna let her go

I'm never gonna let her go  
I'm never gonna let her go  
She gonna put me in an early grave  
I know but I'm never gonna let her go
