So when the clown nigga fuck you, he gon' tape it
Got a fat bitch feelin' she gotta stay fit
So she can keep this jail nigga to play with

Now my new bitch and my old bitch
Guess she tryna' be a nigga new bitch
Started from an eighth to a whole ten Back run it up
Got it movin' like a track meet, fuck is up
Better bundle up
Ice drippy
Mink sets
Gold bottles
Matched necks
Hoes swallow
Racks flex
Nike box
Mad checks
Never shook a nigga's hand, didn't mean it
Got a couples niggas off, now I mean it

Stay the fuck up out your feelings 'fore I pop and put your blood up on the
