Sheena Easton

I used to think your heart was gold
But your actions got the story told
Working overtime on my heart on my mind
Boy, you made a fool out of me

You know what to say
Tell me what I wanna hear
When it's time to show
You're never there, baby

I'm not the kinda girl
You can let down and kick around
When it comes to love
What you give is what you get

No deposit, no return
Boy, if you wanna real love
You got a lot to learn

No deposit, no return
Boy, if you wanna real love
You got a lot to learn

Never been naive but in you I did believe
You were the perfect one for me
Being fooled in love is a dangerous game

One hell of a price to pay
Your ego was fed by me the misled
You only wanted to use me instead

I'm not the kinda girl
You can let down and kick around
When it comes to love
What you give is what you get

No deposit, no return
