You Make Me Nervous

Sheena Easton

A mixed emotion, a state of mind, infatuation of a different ki nd Hesitation's holding me back from you, fascination's drawing me near There's a strange reaction caught between attraction and fear, oh oh

You make me nervous, making me nervous You make me nervous, I wanna hold you but I'm scared I lose con trol You make me nervous, making me nervous You make me nervous, what you're gonna say or what I'll do I ne ver know

Anticipating your every move, my nervous breakdown is up to you Doesn't take a psychoanalyst's mind to see Just what it is that's keeping me here There's a strange reaction caught between attraction and fear, oh oh

You make me nervous, making me nervous You make me nervous, I wanna hold you but I'm scared I lose con trol You make me nervous, making me nervous You make me nervous, what you're gonna say or what I'll do I ne ver know

You make me nervous, making me nervous You make me nervous, I wanna hold you but I'm scared I lose con trol You make me nervous, making me nervous You make me nervous, what you're gonna say or what I'll do I ne ver know
