

## On The Phone

Sheila On 7

I was far away from home  
Doing what i love and like to do  
But these feelings come out of nowhere  
I felt so bored and tired of it all  
And suddenly the phone rang  
It was you and me we spoke and laughed  
Yeah we had so much fun on the line  
It's unforgettable  
Reff:  
I've been loving you since the first time  
An hour conversation on the phone  
So i wanna thank you for filling the emptiness in me  
It's you who i
