

# Don't Cross Your Heart

Shelby Lynne

You can't turn your back and walk away  
Until the cards are stacked against us  
And you thought it through  
But you're gonna lose when it crosses over  
Then life turns defenceless and it'll turn on you  
Oh if you've loved before don't try to deny it  
You can't ignore the way you feel inside

Chorus

Don't cross your heart  
It's a fight you can't win  
You lose your mind  
Don't cross your heart  
Your heart gonna break you every time  
What you do is up to you  
If you wanna play it smart  
Honey don't cross your heart

You don't despatch a perfect love  
It takes time to make it  
You gotta start somewhere  
If the truth be known  
A (?diamond ring?) is just a piece of stone  
Until it shapes it with tender love and care  
Chip away until you get to the truth  
Oh I can't make you stay  
But whatever you do

Chorus

What you do is up to you  
If you wanna play it smart  
Honey don't cross your heart
