

Lonely Weekends

Shelby Lynne

Well I make it alright from Monday morning till Friday night
But oh those lonely weekends
Since you left me I'm as lonely as can be
Oh those lonely weekends

Boy you said you'd be good to me yeah you said our love it would never die
Oh you said you'd be so good to me oh but baby you didn't even try
I'm gonna make it alright from Monday morning till Friday night
But oh those lonely weekends
[guitar]
Boy you said you'd be good to me...
Oh but oh those lonely weekends but oh those lonely weekends
