

Tell Me I'm Crazy

Shelby Lynne

Tell me I'm crazy
Whisper everything's alright
Tell me I'm crazy;
then love me like crazy tonight

Am I so wrong
thinking we might be over?
Could it be when your holding me
your still loving her?

She broke your heart
is it true now she's breaking mine?
If you know oh please tell me so
before I go out of my mind

Tell me i'm crazy
Say its not true
Call it my imagination
Say I'm not losing you

Lay down beside me
Whisper everything's alright
Tell me I'm crazy;
then love me like crazy tonight

Lay down beside me
Whisper everything's alright
Tell me I'm crazy;
then love me like crazy tonight
Oh, tell me I'm crazy;
then love me like crazy tonight
