I wanna go, where You go In the sun in the snow Make me happy

Let me share, what You share Every smile, every care Make me happy

[Chorus:]
Give me the right
To feel each day and night
With love, that's forever
Love, that will never fade out of sight

Don't make me beg, make me plead To be everything You need Make me happy Make me happy Make me happy

Make me happy Make me happy

[Chorus]

Don't make me beg, make me plead To be everything You need Make me happy Make me happy Make me happy
