

Can't Stop Now

Shenandoah

I can't say I didn't know what I was doing
I can't pretend things just got out of hand
I should've kept my distance while I was still strong
But I got caught up in the feeling carryin' along
Now it's too late baby, I can't stop now

Well I walked right in with my eyes wide open
But I was blind when you told me you'd be mine
Just as soon as you were free yeah
I should've slowed down before push came to shove
But I was already fallin' now, too deep in love
And it's too late baby, I can't stop now

Can't stop now
Crazy heart runnin' out of control
Can't stop now
I'll be fallin' apart somewhere down the road
I might be headin' for a breakdown
But I can't stop now

Well I'm sittin' here wonderin' how I ever let myself fall
I keep hearin' promises but nothin' seems to change at all
The love we made has got a life of it's own
It'll keep on goin' long after you're gone
Now it's too late baby
I can't stop now

Can't stop now
Crazy heart runnin' out of control
I might be headin' for a breakdown
But I can't stop now
I might be headin' for a breakdown
But I can't stop now
