

## Janie Baker's Love Slave

Shenandoah

Well her love was a habit, I tried to kick it  
So I went downtown and bought a one-way ticket  
And I rode that Greyhound down to Macon  
Then I hitch-hiked back 'cause my heart was breakin'

Oh now I see, it's destiny  
I can't be free, I'm her love slave  
Janie Baker's love slave

When I'm close to her, my heart starts a thumpin'  
When she says froggy, I can't help but jumpin'  
She's got a hold on me, and there's no escapin'  
Yeah, it's a ball and chain of my own makin'

Oh now I see, it's destiny  
I can't be free, I'm her love slave  
Janie Baker's love slave

Yeah, I used to go bowlin', used to go fishin', used to go drin  
kin' too  
But since I've been exposed to her kind of kissin'  
There's nothing else I want to do

Well I'm her love slave
