

# Leavin's Been A Long Time Comin'

Shenandoah

Well I woke up and I got to lookin'  
No one's cookin', ain't no coffee on  
Somethin's wrong  
I guess this time, well, I've really done it  
All my runnin' 'round's caught up with me  
Yeah, I'm history  
She's told me goodbye before  
But this time, she walked out the door

Her leavin's been a long time a' comin'  
But I guess I had it comin' all along  
Yeah, her leavin's been a long time a' comin', oh Lord  
Now she's gone, gone, long gone

I made up my mind to forget her  
Just can't let her memory get me down  
So I hit the town  
And there she was, there was no mistakin'  
She was taken with some kind boy named Joe  
And they were dancin' close  
Now as far as I can see  
Looks like she's gettin' over me

Yeah her leavin's been a long time a' comin'  
But I guess I had it comin' all along  
Oh, her leavin's been a long time a' comin', oh Lord  
Now she's gone, gone, long gone

Her leavin's been a long time a' comin'  
But I guess I had it comin' all along  
Oh, her leavin's been a long time a' comin', oh Lord  
Now she's gone, gone, long gone

Gone  
Gone, long gone, long gone  
Gone, long gone...
