

## Then A Girl Walks In

Shenandoah

When dollar beers are worth every cent  
Splitting the rent, you and your boys five deep in a two bedroom  
Parking lot view, sleeping till noon, doing what you wanna do  
When you're high on life and life can't get any better

Then a girl a walks in, you know the right one, you can tell  
Shinin' like a million dollar penny in a wishin' well  
Buyin' drinks turns into buyin' roses  
You're thinkin' rings, changing names, that's how the story goes  
Just when you think you've got it all and then  
A girl walks in  
Yeah, a girl walks in

When you're stayin' up late just to talk on the phone  
You hate sayin' goodnight, you hate sleepin' alone  
So you pack up the back of your truck with her stuff  
That two year lease ain't long enough  
When you're high on life, and life can't get any better

Then a girl walks in, you know the right one dressed in white  
The kind you wanna keep the rest of your life  
Then you're raisin glasses, droppin' roses  
She's dancin' with her daddy, that's how the story goes  
That's when you think you got it all and then  
A girl walks in  
Yeah, and a girl walks in

A girl walks in  
And says there's one on the way  
Then one day

A girl walks in lookin' like her mama  
Says I love you daddy, right then you know she's gonna  
Steal your heart and you'll have to let her go  
When that boy comes along, that's how the story goes  
Just when you think you got it all and then  
Oh, ain't it funny how you think you got it all and then  
A girl walks in  
Yeah a girl walks in  
Then a girl walks in
