In Our Own Sweet Time

Sherrié Austin

Uh huh

Holdin' your hand in the very last row Down at the midnight picture show Well the movie is lousy Oh baby kiss me again

Down by the river as the church bells ring Skinny dipping while the choir sings Halleujah Oh baby ain't life grand

In our own sweet time Let the clock unwind Love's a place we'll find In our own sweet time

We might get married and have some kids Fight over money like out parents did Or maybe take a left turn down a different road

We're not preaching 'bout a right or wrong Makin' this up as we go along Just tryin' to stay young Until we get old

In our own sweet time Let the clock unwind Love's a place we'll find In our own sweet time That's right

In our own sweet time In our own sweet time In our own sweet time In our own sweet time

In our own sweet time In our own sweet time Let the clock unwind Love's a place we'll find In our own sweet time

In our own sweet time Uh-huh In our own sweet time In our own sweet time
