

Beware of Darkness

Sheryl Crow

Watch out now, take care, beware of falling swingers
Dropping all around you
The pain that often lingers in your fingertips
Beware of darkness

Watch out now, take care, beware of false that linger
Winding up inside your head
And the hopelessness around you
In dead of night beware of sadness

It can hit you, it can hurt you
Make you soft and what is more
This is not what you are here for

Watch out now, take care, beware of soft shoe shufflers
Dancing down the sidewalks
As ancient culture suffer, wanders aimlessly
Beware of night

Watch out now, take care, beware of greedy leaders
They take you where you should not go
While weeping at the cedars
They just want to grow, grow and grow
Beware of darkness
(Beware of darkness)
