

## Cut You Off

Shift K3Y

I didn't ever wanna cut you off  
This time girl that's what I had to do, to get away from you  
I thought I wanted you to take it off  
This time girl, I'm just not here for you

I didn't ever wanna cut you off, off, off  
This time girl that's what I had to do, to get away from you  
I didn't ever wanna cut you off, off, off  
This time girl that's what I had to do

I didn't ever wanna cut you off  
This time girl you know I had to  
Last time girl we were supposed to  
This time girl, you know it's too close, to close, to you  
And maybe I think that we should try  
I think that we need to take some time  
Stop thinking that you're mine
