

Save Me

Shinedown

Well I've got a candle,
and I've got a spoon.
I live in a hallway
with no doors and no rooms.
Under a window sill they all were found,
a touch of concrete within the doorway
without a sound.

Someone save me if you will,
and take away all these pills.
And please just save me if you can
from my blasphemy in my wasteland.

How did I get here?
And what went wrong?
Couldn't handle forgiveness,
now I'm far beyond gone.
And I can hardly remember
the look of my own eyes.
How could I love this,
a life so dishonest,
It made me compromise.

Someone save me if you will,
and take away all these pills.
And please just save me if you can
from my blasphemy in my wasteland.

Jump In the water
Jump in with me
Jump on the alter
Lay down with me
The hardest question to answer is why

Someone save me if you will,
and take away all these pills.
And please just save me if you can
from my blasphemy in my wasteland.

Someone save me
Someone save me
Somebody save me
Somebody save me
Please don't erase me
