

Come closer inside  
There's something I need you to see  
It's just a picture of what the ignorant believe  
I come so you can know me  
I'm here to make you proud  
I come to wreck and guide you  
I'm here to show you how

You know I'm coming for you  
Cause I got nothing to lose  
And now I'm still on my way for the pay

So you wanted to be free from everything you've done to me?  
And you wanted to be known so you wouldn't feel so alone?  
And you wanted to believe that you steal our integrity?  
And I'm sorry you're on your knees, but you can't blame me, yer  
majesty

Let's take a moment  
I need to spoil who you are  
I played your game once  
You sold me out with no regard  
I come so you can know me  
I'm here to make you proud  
I come to wreck and guide you  
I'm here to voice out loud

You know I'm coming for you  
Cause I got nothing to lose  
And now I'm still on my way for the pay

So you wanted to be free from everything you've done to me?  
And you wanted to be known so you wouldn't feel so alone?  
And you wanted to believe that you steal our integrity?  
And I'm sorry you're on your knees, but you can't blame me, yer  
majesty

So you wanted to be free from everything you've done to me?  
And you wanted to be known so you wouldn't feel so alone?  
And you wanted to believe that you steal our integrity?  
And I'm sorry you're on your knees, but you can't blame me, yer  
majesty
