A-yo, we back  
Uh uh, uh uh  
Let's shake it up  
Even if you can't hear me, I won't give up  
What have I felt up to now, I won't give up  
Even if you can't see me now, I won't give up  
No, I won't give up, cuz I won't give up  
Even if I can't hear you, I won't give up  
What have I felt up to now, I won't give up  
Even if you can never see me, I won't give up  
No, I won't give up, cuz I won't give up

I found out about new music, what do you want  
Saying it's a trend is pretty obvious deja vu  
I'm addicted to your impressive outward appearance, oh  
You can't imagine my agony

It's really the end, while I felt moved  
The moment I felt a huge shock, where have you already gone to  
My music has gone through, my pain, my huge torment  
If I can't sing, I'm nothing

Even if you can't hear me, I won't give up

What have I felt up to now, I won't give up  
Even if you can't see me now, I won't give up  
No, I won't give up, cuz I won't give up  
Even if I can't hear you, I won't give up  
What have I felt up to now, I won't give up  
Even if you can never see me, I won't give up  
No, I won't give up, cuz I won't give up

I lack an identity, I don't have any thoughts  
You're mostly vague rebukes and irresponsible attitude  
People that mindlessly treat themselves  
To so many duplicates are a problem, why

Yeah, I slip like this again  
I don't know anything, I'm dumbfounded  
I see you quietly stealing  
Man, what's wrong, man? you think I wouldn't notice?

Even if you can't hear me, I won't give up  
What have I felt up to now, I won't give up  
Even if you can't see me now, I won't give up  
No, I won't give up, cuz I won't give up  
Even if I can't hear you, I won't give up  
What have I felt up to now, I won't give up  
Even if you can never see me, I won't give up  
No, I won't give up, cuz I won't give up

There's one reason why I do music (one)  
It knows the pain I've endured (you know)  
I'm not entirely lit up by the spotlight (you wouldn't know)  
One click, finished, done

Sorry, my unchanging passion is  
The melody made by lyrics that  
Endlessly shreds white paper

Music that you'll remember deep within your heart  
That's the only thing you want  
What's left is like (my value)  
I pull it off so easily  
You don't know  
The meaning of my tears, never, never, never

Even if you can't hear me, I won't give up  
What have I felt up to now, I won't give up  
Even if you can't see me now, I won't give up  
No, I won't give up, cuz I won't give up  
Even if I can't hear you, I won't give up  
What have I felt up to now, I won't give up  
Even if you can never see me, I won't give up  
No, I won't give up, cuz I won't give up

Even if you can't hear me, I won't give up  
What have I felt up to now, I won't give up  
Even if you can't see me now, I won't give up  
No, I won't give up, cause I won't give up
