

## Exit Sun

Shining

Exit sun  
Malefic one  
Sunborne son  
Sinful one

You cheat on...  
You fuck with...  
You fight with...  
Your cold heart will not recover

...your own lover  
...your own brother  
...one another  
...not recover

You cheat on...  
You fuck with...  
You fight with...  
Your cold heart will not recover

Time  
Feel  
Hope  
Will  
Erode  
Feel  
Ling  
My faith  
Erode

Exit sun  
Malefic one  
Sunborne son  
Sinful one  
Gone

Exit sun  
Sunborne son  
Sinful one  
Madness done

Exit sun

You cheat on your own lover  
You fuck with your own brother  
You fight with one another  
Your cold heart will not recover
