

Turned to Real Life

Shiny Toy Guns

Eyes are magic
See right through me
Makes me feel like
A girl in a fantasy
Turned to real life
Stars in the morning
Makes me feel like
A girl in a fantasy
Turned to real life...

Now i'm glowing
Like a sunset
In the window
Of my dreams
That turned to real life
I'll never forget when
For the first time
A girl in a fantasy
Turned to real life

[Chorus]
Makes me feel like
A girl in a fantasy
Turned to real life
I'm a believer
For the first time
I can be beautiful
A girl in a fantasy
Turned to real life

Your fingers running
Over my body
Makes me feel like
A silver angel
Under the moonlight
Right beside me
Makes me feel like
A girl in a fantasy
Turned to real life...

[Chorus]x3
