

A View to a Kill

Shirley Bassey

Meeting you with a view to a kill
Face to face in secret places,
Feel the chill

Nightfall covers me,
But you know the plans I'm making
Still overseas,
Could it be the whole earth opening wide
A sacred why,
A mystery gaping inside
A week is why,
Until we

Dance into the fire
That fatal kiss is all we need
Dance into the fire
To fatal sounds of broken dreams
Dance into the fire
That fatal kiss is all we need
Dance into the fire

Choice for you is the view to a kill
Between the shades assassination
Standing still

Earth's crystal tears,
Fall of snowflakes on your body
First time in years
To drench your skin in lover's rosy stain
A chance to find
The phoenix for the flame
A chance to die,
But we can

Dance into the fire
That fatal kiss is all we need
Dance into the fire
To fatal sounds of broken dreams
Dance into the fire
That fatal kiss is all we need
Dance into the fire

All we see is the view to a kill.
