As I Love You

Shirley Bassey

I will love you, as I love you, all my life Every moment spent with you Makes me more content with you Just as you are, you are all I could pray for All that you are, that's what I wake up each day for

Every single touch and tingle I adore Every kiss from you to me Always seems so new to me Each one warmer than the one before As I love you more and more and more

Every single touch and tingle I adore Every kiss from you to me Always seems so new to me Each one warmer than the one before As I love you more and more and more
