

## Born to Sing the Blues

Shirley Bassey

Some were born to win  
Some were born to lose  
Born to walk in style  
Or walk in second handed shoes  
Take me, I was born to sing the blues  
Some were born to get  
Some were born to give  
Poor unlucky devils who just  
Barely want to live  
Like me, I was born to sing the blues  
I want somebody  
Care about me  
Make me happy  
Love is all I ever wanted  
Noone wants me  
Noone needs me  
I know noone at all

Tired of wondering how  
Tired of wondering why  
Some were born to laugh, i guess  
And others born to cry  
And me, I was born to sing the blues  
Love is all I ever wanted  
Noone wants me  
Noone needs me  
I know noone at all  
Tired of wondering how  
Tired of wondering why  
Some were born to laugh, i guess  
And others born to cry  
And me, I was born to sing the blues  
I was born to sing the blues
