Cry Me a River

Shirley Bassey

Now you say you're lonely You cry the long night through Well, you can cry me a river Cry me a river I cried a river over you

Now you say you're sorry For being so untrue Well, you can cry me a river Cry me a river I cried a river over you

You drove me, nearly drove me, out of my head While you never shed a tear Remember, I remember, all that you said You told me love was too plebeian Told me you were through with me and

Now you say you love me Well, just to prove that you do Come on and cry me a river Cry me a river I cried a river over you I cried a river over you I cried a river... over you...
