

# Don't Cry Out Loud

Shirley Bassey

Baby cried the day the circus came to town  
'Cause she didn't want parades just passing by her  
So she painted on a smile and took up with some clown  
While she danced without a net upon the wire

I know a lot about her 'cause you see  
Baby is an awful lot like me

Don't cry out loud just keep it inside  
And learn how to hide your feelings  
Fly high and proud and if you should fall  
Remember you almost had it all

Baby saw that when they pulled the big top down  
They left behind her dreams among the litter  
And the different kind of love she thought she'd found  
There was nothin' left but sawdust and some glitter

But baby can't be broken 'cause you see  
She had the finest teacher, that was me

Don't cry out loud just keep it inside  
And learn how to hide your feelings  
Fly high and proud and if you should fall  
Remember you almost had it all

Don't cry out loud just keep it inside  
And learn how to hide your feelings  
Fly high and proud and if you should fall  
Remember you almost made it

Don't cry out loud just keep it inside  
And learn how to hide your feelings  
Fly high and proud and if you should fall  
Remember you almost had it all
