

History Repeating

Shirley Bassey

The word is about
There's something evolving
Whatever may come
The world keeps revolving

They say the next big thing is here
That the revolution's near
But to me, it seems quite clear
That's it's all just a little bit of history repeating

The newspapers shout
A new style is growing
But it don't know
If it's coming or going

There is fashion, there is fad
Some is good, some is bad
And the joke is rather sad
That it's all just a little bit of history repeating

And I've seen it before
And I'll see it again
Yes, I've seen it before
Just little bits of history repeating

Some people won't dance
If they don't know who's singing
Why ask your head
It's your hips that are swinging

Life's for us to enjoy
Woman, man, girl and boy
Feel the pain, feel the joy
Aside set the little bits of history repeating

Just little bits of history repeating

And I've seen it before
And I'll see it again
Yes, I've seen it before
Just little bits of history repeating
