

Hooray for Love

Shirley Bassey

Love, love, hooray for love
Who was ever too blase for love
Make this a night for love
If we have to fight, let's fight for love

Some sigh and cry for love
But in Paris they die for love
Some waste away for love
Just the same - hooray for love

It's the wonder of the world
It's the rocket to the moon
It gets you high, it gets you low
But once you get that glow

Some trust to fake for love
Others have to take off weight for love
Some go berserk for love
[?] even go to walk for love

Sad songs are sad for love
People have their noses wiped for love
Some say we pay for love
Just the same - hooray for love

It's the wonder of the world
It's the rocket to the moon
It gets you high, it gets you low
But once you get that glow

Love, love, hooray for love
Who was ever too blase for love
Make this a night for love
If we have to fight, let's fight for love

Some sigh and cry for love
But in Paris they die for love
Some waste away for love
Just the same - hooray hooray hooray for love
