

I'll Get By (As Long as I Have You)

Shirley Bassey

I'll get by
As long as I have you
Though there be rain
And darkness too
I'll not complain
I'll see it through

Though you may
Be far away
It's true
Say, what care I dear
I'll get by
As long as I have you

Though you may
Be far away
It's true
Say, what care I dear
I'll get by
As long as I have you
