

## If You Love Me (Really Love Me)

Shirley Bassey

If the sun should tumble from the sky  
If the sea should suddenly run dry  
If you love me, really love me  
Let it happen I won't care  
If a dream I fear should fall apart  
I can still be smiling with my heart  
If you love me, really love me  
Let it happen darling I won't care  
Shall I catch a shooting star  
Shall I bring it where you are

If you only say you care  
I can make a mountain fall  
I'll do anything at all  
As long as you are there  
When at last my life on earth is through  
I will share eternity with you  
If you love me, really love me  
Let it happen darling I won't care  
REPEAT LAST VERSE  
Let it happen darling I won't care
