In the Still of the Night

Shirley Bassey

In the still of the night As I gaze out of my window At the moon in its flight My thoughts all stray, stray to you

In the still of the night While the world lies in slumber Oh the times without number When I say to you

Do you love me Just like I love you Are you my life to be That dream come true Or will this dream of mine Will it fade way out of sight

Just like that moon growing dim Way out on the rim of the hill In the still of the night
