

Thank You For The Years?

Shirley Bassey

I thank you for the years
I thank you for the good times
As we go on together
I just want to say I'm glad you're here tonight
Thank you for the way you've touched my life

I thank you for your love
It helps me through the hard times
And the joy we share together
gives me all I need to make it through the night
Thank you for the way you hold me tight
I thank you for the years

I thank you for the years
I thank you its been so wonderful
and through all the good and bad times
I just want to say I'm glad you're in my heart
loving you was only just the start

Holding on
When we're down and we are hurting
Holding on
To the precious things we have
We'll carry on
We'll carry on together
Our love's the reason we are strong

As we grow old together
I just want to say I'm glad you came my way
Thank you for the love you bring each day
I love you now and all I have to say
Is thank you for the years
