

The Lady is a Tramp

Shirley Bassey

I've wine'd and dine'd on mulligan stew
on "Live at Talk of the Town" inserted: I have, I have
And never wished for turkey
I've hitched and hiked and drifted to
From Maine to Albuquerque
Alas I missed the beaux arts ball
And what is twice as sad
I was never at a party
Where they honoured Noel Coward
on "Live at Talk of the Town":
I was never at Barbra Streisands party - aaah
And that make me bloody mad
a ... funny girl
on "At The Pigalle":
Alas I'm always known as being in the pie
I was never at Alma Cogans party
A shame
When she honoured Ringo Starr
on "The Birthday Concert" & video "An Audience With Shirley Bassey":
I was never at Hugh Grants party
When he honoured the great divide - ouh
His social circles move to fast for me
My hoboemia is the place to be
I get too hungry for dinner at eight
I love the theatre but never come late
I never bother with people I hate
That's why this lady is a tramp

I don't like crap games with barons and earls
Won't go to Harlem in ermine and pearls
Won't dish the dirt with the rest of those girls
That's why this lady is a tramp

I like the free fresh wind in my hair
Life without care
I'm broke... that's oke
Hate California, it's cold and it's damp
That's why this lady is a tramp

I like the free fresh wind in my hair

on "Live at Talk of the Town": I like the free fresh wind in my wig
Life without care
I'm broke... that's oke
Hate California, it's cold and it's damp
That's why this lady is a tramp
And I love it
Yes, I'm a tramp, and I love it
And I wish that you will come in my way yeah
I wish that you will come in my way yeah
I wish that you will come in my way
Yes, I'm a lady

But a tramp
