

## The Second Time Around

Shirley Bassey

Love is lovelier, the second time around  
Just as wonderful with both feet on the ground  
It's that second time you hear your love song sung  
Makes you think perhaps that love like youth is wasted on the young

Love is more comfortable the second time you fall  
Like a friendly home the second time you call  
Who can say what led us to this miracle we've found  
There are those who'll bet love comes but once and yet  
I'm oh, so glad we met the second time around

Love's more comfortable the second time you fall  
Like a friendly home the second time you call  
Who can say what led us to this miracle we've found  
There are those who'll bet love comes but once and yet  
I'm oh, so glad we met the second time around
