The Way of Love

Shirley Bassey

When you meet a boy That you like a lot And you fall in love But he loves you not

If a flame should start As you hold him near Better keep your heart Out of danger, dear

For the way of love Is a way of woe And the day may come When you'll see him go

Then what will you do When he sets you free Just the way that you Said goodbye to me

That's the way of love The way of love.
