## You Stepped Out Of A Dream

**Shirley Horn** 

You stepped out of a dream You are too wonderful, to be what you seem Should there be eyes like yours? Should there be lips like yours? Should there be smiles like yours? Honest and truly

You stepped out of a cloud I wanna take you away, away from the crowd And have you all to myself Alone and apart out of a dream Safe in my heart

You stepped out of a dream You are too wonderful, to be what you seem Should there be eyes like yours? Should there be lips like yours? Should there be smiles like yours? Honest and truly

You stepped out of a cloud I wanna take you away, away from the crowd And have you all to myself Alone and apart out of a dream Safe in my heart

You stepped out of a cloud I wanna take you away, away from the crowd And have you all to myself Alone and apart out of a dream Safe in my heart Out of a dream Safe in my heart
