

# Surrender

Shola Ama

Surrender your love  
I know that if I take you home  
You'll surrender your love baby  
Surrender your love  
Won't be the last time that I take you home  
Cause you can't get enough baby  
So surrender your love

In my eyes it's you and me  
You're the only man I need  
Say you'll be there for me for all eternity  
Boy you can't resist my love  
Cause you can't get enough gotta be what I want

Dreaming of you and me  
You're my all and everything  
Just when I thought I'd be so close  
I'd never see came along and captured me  
Baby I just can't believe what it is you do to me

You go my way  
Gotta have you in my life boy every day  
I need you to stay  
And I know for sure that you'd feel the same

Chorus

I know that if I take you home  
Baby I can make you moan  
Cause you never had no one  
Who can really turn you on  
Why you gotta wait so long  
Just to find where we belong  
Now we wanna be alone

Dreaming of you and me  
You're my all and everything  
Just when I thought I'd be  
So close and never see  
Came along and captured me  
Baby I just can't believe  
What it is you do to me

Chorus x 2

Dreaming of you and me  
The only man for me  
You know I can't wait to get you home  
Baby I never want to let you go away

Chorus adlibs
